Mission Statement 2024-2025

To All Island Parents and Athletes,

Thank you for your interest in our All-Star Competitive Cheerleading program! We are excited to start Season 11, and we are very happy to welcome each and every one of you into our Island All-Stars FAMILY! In this packet, you will find all the information you need to know. Please make sure to read it all.

As we launch our 11th competitive season, GET READY for our biggest leap forward and most progressive season to date! Island All-Stars is the fastest growing and most prestigious D1 cheer & dance program in Northeast Florida. At Island All-Stars, our athletes will acquire solid technique and fundamentals, as well as gain priceless life skills that encourage commitment, dedication, good sportsmanship, teamwork, respect, and structure. These lessons are integrated into a supportive, safe, and progressive atmosphere. Our coaches are committed to giving each athlete the tools to win on AND off the competition floor. They are strong role models, leaders, and dynamic motivators. They are all genuinely enthusiastic about the development, progress, and training of each athlete.

It is our highest hope that every member of Island All-Stars develops not only strong foundations in cheerleading and tumbling, but also develops long lasting friendships, self-confidence, and great memories. On behalf of the entire Island staff, we would like to say that we are all looking forward to an INCREDIBLE 2024-2025 competition season!

Cheers to all,

Jonathan Pol-Wright

Sportsmanship, Social Media, and Integrity

Sportsmanship and teams that are unified are very important to our program and Island families. Please be courteous and considerate to all teams and athletes, including our competitors. We always support each other! We teach the kids to be humble in victory and gracious in defeat, we will NEVER put up with bad sportsmanship. We smile, we congratulate, and we work hard! Please don't speak negatively about any person, decision, or result. This includes "cheering" or showing excitement for other teams' mistakes, as well as posts on social media and message boards! We strive to teach our athletes respect and sportsmanship. Anyone who behaves in a manner, in or out of the gym, that we view as inappropriate, may be asked to leave our program. Athletes whose parents are excessively negative or disrespectful will be removed from the program as well. We are trying to create a positive learning environment for our athletes. Profanity, abusive language, and inappropriate photos or behavior are not allowed. This includes the internet, text messages, all social media outlets, emails, Facebook pages, etc... Posting negatively on social media outlets after practices, events, or Island functions will result in your athlete being removed from the program. If Island staff feel as if your post is about Island or another member of our staff, you will be asked to take it down. We are a family, and our brand must act as one. Even if you disagree with something, it is important that our members always follow the guidelines we set.

Attendance Policy

ALL practices are mandatory! Every athlete is important to a team's success! We cannot have productive practices if there are excessive absences and tardiness. Attendance will be taken at the beginning of each practice. If an Island All-Star athlete has more than 6 missed practices, he/she may be removed from the team. No exceptions. We make changes to the routines throughout the entire season. If you miss practices, there will be a chance that you will lose your spot. Your first commitment is to Island All-Stars. School sports and activities come 2nd to Island All-Stars. A note from the school or coach must be given to your coach 2 weeks in advance if they need to miss practice due to a graded school activity. We have an amazing relationship with many schools and know that graded activities are scheduled months in advance.

Missing practices for ANY reason without a Doctor's note will result in a \$20.00 fine for the 1st, \$30.00 for the 2nd, \$40.00 for the 3rd - 5th. 6 or more may be removed from the program.

- **VERY IMPORTANT:** No excuses for missing ANY practice 1 week before a competition or scheduled routine camp (This includes Friday practices at select events- Plan ahead as you will need to report at select events by 4:30pm Friday.) If your athlete misses, they will be charged a \$75.00 miss fee or sit from the event (Unless approved by owner).

If athletes miss practice for any reason, including disciplinary action taken by parents, the entire team is jeopardized. Being a team sport, we ask for your commitment for the entire season they are enrolled. As a result, parents are not to restrict athletes' participation as punishment and are to encourage team sportsmanship through attendance. Please schedule doctor appointments and vacations when Island All-Stars is closed. If the athlete is removed from the program due to disciplinary reasons, you are required to pay the quit fee and remaining balance of the season.

We realize that summers are full of vacations, summer camps, and family time. Please know that all training during the summer is crucial to the development of each individual as well as to the team. Summer practices will be used to build the foundation needed for success and is when the teams will learn their competition routines.

Commitment to All-Star Cheer and Dance

All-Star cheer is a competitive sport that is becoming more and more popular each year. What makes the “TEAM” aspect of this sport unique, is that EVERY member is crucially important. It takes a lot of practice and skill to perform and perfect a routine with all the required elements in order to max out the scoresheet. The time commitment involved with competitive cheer must be taken very seriously in order to gain the skills we need to compete successfully.

The commitment you are making will be from now through the end of May 2025

When you join Island, you are joining the program, not a specific team.

Team placements on initial team rosters are set for choreography purposes. Athletes who do not keep performing the skills they completed at evaluations may be moved to a different team and/or become an alternate for that team. Those athletes who showed marked improvement may be moved up as well. These same rules apply throughout the season and for postseason. Rosters are open to change throughout the season as athletes grow out of or into stunt positions. Teams are expected to show consistency in the gym before taking the mat. Athletes must also show consistent attendance and good attitude/behavior throughout the season in order to keep their spot. Athletes must be hitting full out routines 2 weeks prior to a competition in order to solidify their spot on the competition floor. If sickness or absences prevent this from happening, it is up to the coach's discretion on how to best benefit the team. Please keep in mind that once a routine is learned, only a specific skillset and unique athletic type can fulfill the expectations of what was created. We have ZERO tolerance for bad attitudes!

Appearance

Jewelry is not allowed at practice or at competition; please refrain from having your child get a new piercing during competition season.

- Your child's hair color must stay a natural color throughout the competition season. No blues/purples/pinks/other exotic colors will be allowed on stage. This includes hair pieces, brads etc.
- Please ensure your undergarments (bras/undergarments/etc) are hidden under the uniform that you are wearing and NOT VISIBLE. Athletes are not allowed to wear additional spandex/NIKE PROS under their uniform skirt/skort/shorts. If you have concerns, please address those with owner.
- When walking around at competitions, teams must look the same. We require usage of our gym- warmup or gym appeal (or team specific when given exception) for this purpose. Each athlete wearing a crop top uniform is mandated by the USASF to have a cover-up while walking around competitions.
- When wearing the Island Brand, you are representing a brand that means more than cheerleading.

Competition Details and Schedule

The competitive season starts in December and ends in May. Bid events like Worlds, Summit, US Finals, Grand Finale etc. will be in late April to mid of May 2025. These competitions will have extra cost pending bid awards. A team meeting will take place once we find out what bids we get. We will be competing in many regional, state and national events. Athletes are not allowed to miss competitions unless under rare circumstances approved months before by the Owner of Island All-Stars. The teams will attend 5-7 competitions this season (Limited Travel and Show teams will not attend as many). Fees for competitions do not include travel expenses. The final competition schedule will be out by the end of August, which gives everyone plenty of time to plan. The reason we wait is because the event producers (EP) don't put out bid opportunities and set final dates until later in the summer. Everything we have now is tentative. Please do not plan any other activities during competition day/weekend, as we will not know specific competition times until the week of or 3 days prior to the event. A detailed schedule and itinerary will be available the week of each competition. All rules, times, and directions must be followed and respected. Athletes MUST be in ISLAND gear at ALL events.

Hotels

All stay to play events require us to stay at a housing preferred hotel. This is not a rule that Island put in place, this is mandated by the competitions that we compete with. In other words – to compete with a Varsity event that is a 2-day event, we must stay at the hotels required by preferred housing. Failure to comply with these rules will result in your athlete not being able to compete with their team at that event. We will have a separate meeting in late August with a list of the hotels selected by Island All-stars and approved by the housing company.

Sitting Out a Competition

Not being able to commit to a competition puts your WHOLE TEAM in a hard place. The team members are putting in hours of practice to compete and many families will be affected by this! Extra practices are at the cost of Island Allstars (we don't charge the parents for extra practices; Island covers the costs) and are expensive while taking resources away from other teams. Please know that missing a competition is not acceptable. Being part of a competitive team means **COMPETING** and following through with your obligation the whole season! We will need to know at least 2 months ahead of time if you cannot commit to a competition, and it must be excused by the Owner. Keep in mind that we can always find someone willing to commit to the team for the remainder of the season. In certain cases, if you choose not to attend a competition, you may be replaced. It is always up to the discretion of the owner. If you will be sitting out a competition voluntarily or involuntarily, you are still obligated to pay the competition fee!!

Injuries and Returning to Practice/Competition

If an athlete is injured in or outside of the gym, the athlete may sit out for one practice without a doctor's note. Any time after, a doctor's note is required. The doctor appointment should be set up with an orthopedic or preferably a sport's orthopedist. Please do not set up an appointment with your general practitioner unless they specialize in sport related injuries and always ask about therapy needed. Depending on the severity of the injury and the directions on the doctor's note, a written doctor's release will be required for return to practice. **VERY IMPORTANT:** If a replacement is needed to temporarily fill in for a competition(s), the athlete will return when they are released AND when it is the best fit for the team. If it is too much pressure or if the time constraints are too small, we may have to delay the return of the athlete if it is judged that it is better for the team. The decision comes from the Owner and Director of Island All-Stars. It will never be a punishment to the athlete and we will always do our best to get the previously injured athlete back into the routine as soon as possible without harm to the team. During this time, all fees and payments will be due as scheduled. We do not allow you to skip payments or fees during the time the athlete is injured since we are holding a spot for them on the team and using resources to cover for them.

Financial Policies

- Island Cheer and Tumbling LLC collects monthly dues by directly billing your form of payment on file. You will see these payments and dues on your Iclass Account. Invoices go out on the 25th of each month, payments are due by the 1st of each month and are late on the 15th of each month. The late fee is \$50. **Your first payment for the new season will be taken out between June 1st -5th.**
- **We do not take personal checks. We only take cash or credit/debit cards.**
- If an athlete resigns his or her position on a team, written notice must be submitted to the owner of Island All-Stars. To cancel the auto pay service for the month, notice must be received no later than 30 days before the end of the month. All payments are non-refundable and non-transferable. NOTE: See below for detailed explanation of fees
- All Island accounts must have a working credit card or debit card on file. NO EXCEPTIONS.
- If for some reason your card is not updated on Iclass, your athlete will not practice until the card is updated and validated.
- Payments received to an athletes account will first go to open balances before an athlete may collect any retail items or shop in the Island store. Athletes that have open balances cannot participate in private lessons, additional classes, choreography camps, competitions, etc. Island All-Stars will remove an athlete from the team if the financial commitment is not upheld.
- If your account is past due more than 25 days, your athlete will be pulled from the team (sit out from practice) until your account is current. Just because an account is made current doesn't mean your athlete would immediately return back into the routine. If within a couple weeks of a competition, Island staff will decide when it is best for the team to add the athlete back in.
- **Fundraising is not a promised form of payment. Event checks take 15-45 days to come in. Your account must be current regardless if you are waiting on fundraising money to come in.**
- If your child is asked to leave, or you leave us for any reason, you lose ALL money raised and will be billed:

A) After the 1st practice - \$500.00

If athlete is pulled from practices due to an unpaid account, athletes will return when deemed appropriate by the Owner or All-Star Director.

- **There are NO REFUNDS at Island All-Stars.**

Sponsorships

We will supply you with a sponsorship letter from the gym and we encourage you to go out and obtain sponsors for your child. Small businesses are the best places to try first, as they are looking for tax write offs. We will advertise our sponsors and it will be on the back of one of your athletes competition t-shirts. This enables the company/person sponsoring you to write it off as an advertisement expense.

****NO REFUNDS ON ANY MONEY GIVEN THROUGH SPONSORSHIP****

Team Managers

We will have team managers for each team. Some of the team managers duties are listed below:

- Plan spirit ideas (noise-makers, signs, originality, etc.) for competitions
- Help plan team parties/bonding events
- Help with organization at competitions

If you are interested in being a team manager, please let us know or sign up at the parent meeting!

Fundraising

We will offer many fundraiser opportunities throughout the year to help offset the cost. Many of our Island Families raise enough money to cover their entire season with the opportunities we provide. Our fundraising committee will coordinate the fundraisers through the gym and your job is to sign up, participate, and work hard at the fundraisers that are offered to you. We will only do fundraisers that offer an 80-100% profit. Please note that ALL money fundraised by you or your athlete will go towards YOUR athletes account. The money is NOT shared with the team or the gym. **There is an annual enrollment fee of \$50.00 per family for the booster club.** This will be billed to all account August 15th 2023.

There will be 1-2 mandatory gym fundraiser to help fund new equipment for the gym.
